

Support, Connect, Engage

People Belong, Families are Strong, Neighbours Care, Everyone Shares

We are a welcoming community, supporting each other through a broad depth of diverse programs & resources to build friendships, strengthen our children & create healthy neighbourhoods, to relieve poverty & provide education, support, recreational & social opportunities for people of all abilities and ages.

We are a community-based agency that began with 6 women & their children gathering together, & expanded to meet the expressed needs of the community.

Our centre has been set up to be a non-institutional, barrier free space, so that it is welcoming to everyone. It is a reflection of the needs, talents & gifts of

our neighbours to be relevant to the whole community. We ensure barriers to participation are reduced so that we reflect a multicultural & financially diverse membership.

We step up when there are no resources available for people struggling to get back on their feet with dignity. Last year alone, we served 5111 people. We provide multicultural programs, food security, household needs, counselling, harm reduction, peer poverty support, utility payments, financial literacy, year-round income tax, mobility equipment, & seniors, family, infant, toddler, preschool, school age & youth programs.
